Class 4: 1st, 2nd & 3rd in Class

Class 5: 1st, 2nd & 3rd in Class

Class H1: 1st in Class

Class H2: 1st, 2nd & 3rd in Class

Additional Information

1. Access to Scrutineering & Start

Noise Test, Scrutineering, Documentation and MTC1 will all be located at Thornton le Dale Car Park (MR: 101 / 835829, YO18 7RR). Please approach from the South via Marishes. There will be arrows directing vehicles from the A16g (MR: 100 / 807779). When travelling through Thornton le Dale, particularly on Sunday morning, please keep noise and speed to a minimum.

MTC1 is located at Thornton le Dale car park. Prior to your start time please park in number order as directed by the marshals.

2. Noise Test, Scrutineering & Documentation

Please use the following instructions for Noise Test, Scrutineering & Documentation:

Saturday:

Noise Test & Scrutiny 14:00hrs – 18:00hrs Thornton le Dale

Documentation 14:00hrs – 18:15hrs Thornton le Dale

Sunday:

Noise Test, Scrutiny & Documentation 06:30hrs – 08:00hrs Thornton le Dale

All Competitors must be signed on 30 minutes before their Start Time.

Process cards and numbers will be distributed at noise test, please make sure all numbers are affixed prior to entering the Scrutineering bays.

If you are using an in car camera please ensure it is fitted prior to scrutineering and you have a completed in car camera form.

Please park and unload as directed by the marshals on duty. No vehicles or trailers can be left in Thornton le Dale Car Park overnight.

3. Adderstone Field Service Area

Access to the Service Area will be available from 1pm on Saturday 4th November. Trailers must be left in the trailer park opposite the service area (see diagram) before entering the service area. No trailers are allowed in the service area. Parking within the service area will be strictly limited to one service vehicle per competing car. Please park as directed by the marshal when you arrive in the service area to ensure there is enough space for all crews. If your service vehicle is **over 7.5m** please notify the organisers via email cofc@maltonmc.co.uk before Friday 3rd November so we can ensure there is enough space for all vehicles.

The service area will be open to competitors from 06:00hrs on Sunday 5th November. The service area is compacted stone, so boards may be required for jacks and/or axle stands. You must also use a groundsheet or tarpaulin, under pain of exclusion. Overnight parking is permitted at the Service Area on Saturday night for rally cars and service vans, however the area will not be classed as 'secure', so all vehicles are left at your own risk. Camping is also permitted, in the adjacent field – no caravans or motorhome's will be permitted in the service park unless they are your only service vehicle.

5. Auxiliary Service

Auxiliary service for those that have purchased an extra pass is between SS1 & SS2 then SS4 & SS5. There will be two-way rally traffic for a large portion of the route to the Auxiliary Service Area so please remind all support crews to be courteous to other road users and allow sufficient time to reach the Auxiliary Service Area without the need to speed. Any Auxiliary Support Crew deemed to be found driving in a manner likely to bring the sport into disrepute faces the following penalties for their associated competing crew:

1st Offence - £100 fine

2nd Offence – Exclusion

6. Forest Drive

There will be strict speed restrictions on Dalby Forest Drive throughout the weekend – this is so we can preserve the venue for future use. Speed guns may be in operation and those caught speeding will be made to pay an on-the-spot fine of £50, a second occurrence will mean exclusion without argument. Anyone proven to be connected to a competing car may also cause that car to be excluded – so please pass this message on. Please also avoid driving onto any grass verges whilst traversing the Forest Drive.

7. Logging Report & Start List

A logging report will be made on Friday, and will be distributed at documentation as well as being displayed on the website. A start list will be issued at the pre-start holding by the CLO and will be on display in the Rally HQ and the website by 07.00hrs on Sunday morning – the start list will show any late entries and your due start time. Car 1 is due to start at 08:31.

8. Rally HQ

Rally HQ will be situated at Thornton le Dale car park until 10am on Sunday 5th November. After this time Rally HQ will be located within Adderstone Field. The contact number for Rally HQ is 07800 830309.

Rally results will be based Adderstone Field too, so there will be up-to-date results throughout the day. Results will also be updated onto www.rallies.info and the club website www.maltonforestrally.co.uk at the end of the event.

9. Competitor Briefing

A short competitor briefing will be held on Sunday 5th November at 08:00 outside Rally HQ (Thornton le Dale) all crews must attend.

10. Official Notice Board & Competitor Liaison Officer

The Official Notice Board will be situated in the Rally HQ. A named Judge of Fact List will appear on the official Notice board.

The CLO for the event is Heidi Woodcock 07790 970677. Heidi will be at Scrutineering on Saturday and around the service in and out controls on Sunday.

11. Miscellaneous

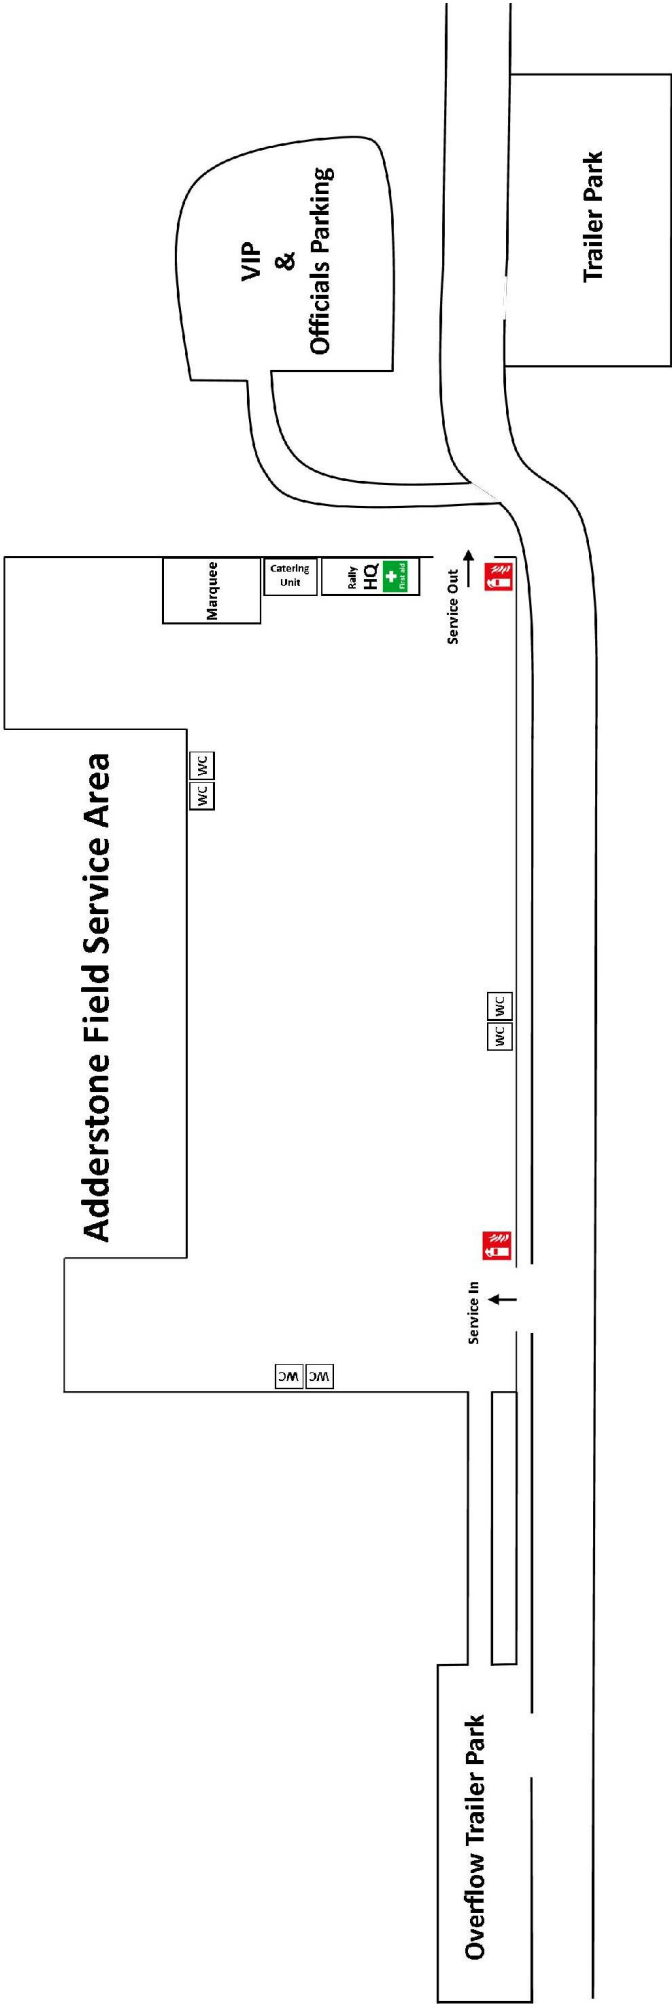

The route passes Middleton petrol station (Esso) on 4 occasions. BP Petrol is also available just off route in Pickering (MR: 100/799835)

Hot and cold food and drink will be available at Thornton le Dale on Saturday afternoon and Sunday morning and in the service area on Sunday.

A measured mile is set out from Thornton le Dale heading South towards Marishes.

The Police incident number for the event is NYP-26102017-0327

Service Area Diagram

Competitor Safety & Incident Procedure

In the interest of improving safety for all crews competing on the Malton Forest Rally we have produced this document to remind everyone of the correct procedure to follow if you are involved in an incident on stage or come across an incident involving another crew. If you have any further queries regarding incident procedure please do not hesitate to speak to the CLO or an Event Official.

OK/SOS Boards

MSA Yearbook, Section (R) Rallying - Paragraph R.25.4

25.4. Competitors must carry an A4 sized white board with a red “SOS” on one side and a black “OK” on the other.....with means to secure them on display for oncoming competitors.

25.4.1. In the case of an accident where urgent medical attention is required, the red “SOS” sign should be displayed as quickly as possible to alert following cars and aid any helicopter attempting to assist.

25.4.2. Any crew that sees a red “SOS” sign displayed on a car or sees a major accident where both crew members are inside the car but not displaying the “SOS” sign **must immediately and without exception stop to give assistance.**

25.4.3. All following cars must also stop and the second car arriving at the scene must inform the next radio point.

25.4.4. Subsequent cars must leave a clear route for emergency vehicles.

25.4.5. The Clerk of the Course may award a discretionary time to any Competitor delayed in such circumstances.

25.4.6 Any crew which is able to but fails to comply with the rule will be reported to the Clerk of the Course who may impose penalties.

25.4.7. In the case of an accident where medical intervention is not required, the “OK” sign must be clearly shown to following vehicles and to any helicopter attempting to assist. If the crew leave the vehicle, the “OK” sign must be left clearly visible to other competitors.

25.4.8. Any crew failing to comply will be subject to a penalty at the Clerk of the Course’s discretion.

25.4.9. Competitors who misuse the ‘SOS’ or ‘OK’ signs will be penalised and may be reported to the MSA for further action.

48.10.9. Competing cars must carry an **Emergency red warning triangle.**

If the car stops in a special stage, this must be placed in a conspicuous position at least 50 metres before the car’s position, even if the stopped car is off the road, in order to warn following drivers.

Yellow Flags

MSA Yearbook, Section (R) Rallying - Paragraph 24.4.5. & 25.6.4.

24.4.5.

On any special stage where extreme circumstances make it necessary to authorise the movement of non-competing or rescue vehicles before the stage is cleared of competing cars, a system of Yellow Flags must be in place.

These should be located at mid stage rescue points and all locations where a rescue/emergency vehicle may re-enter the stage following a short-cut and at each designated (*mandatory*) Radio Point.

They can only be displayed on the specific instruction of the Clerk of the Course or Stage Commander. Yellow Flags must only be used when there is a possibility of non-competing vehicles and rescue vehicles moving on the stage AHEAD of competing cars. Flags will be displayed at all (designated) Radio Points preceding the incident. Yellow Flags must be prominently displayed (**held out steady not waved**) by a designated marshal who **MUST** wear a marshals' tabard.

No flag other than a Yellow Flag may be deployed at any point along the route of the special stage.

25.6.4.

On passing a Yellow Flag displayed by a marshal wearing a marshals' tabard, the driver **MUST** immediately and significantly reduce speed as well as being prepared to stop at any time; at no time must they overtake any safety vehicle they encounter on the special stage route. The driver must then follow the instructions of any marshals and/or stage safety personnel and maintain this reduced speed until leaving the special stage.

Failure to comply with this rule will incur a penalty at the discretion of the Clerk of the Course.

26.6.5.

(If stopped) They must not continue until advised to do so by an Official.

In the event of an incident requiring deployment of Yellow Flags, following Clerk of the Course or Stage Commander authorisation, instructions will be passed to stage radios by the 81MHz Safety and Medical Radio Network.

The Yellow Flag procedure is for the benefit of everyone, and it makes our Sport safer. Please play your part in ensuring that, if they are displayed,
